## **Welcome Back!**

It is truly wonderful, and quite exciting, to be putting together the Schedule for this year's Bovey Tracey Garden Club Summer Show. After the hiatus of last year, we are very much looking forward to welcoming everyone back to the Marquee on 14th August to enjoy the delights of the Show.

As we issue this Schedule, the Show Committee is hopeful that a full relaxation of Covid 19 related government restrictions will be possible from 19th July and so allow the Show to take place as we wish. However as we all know, the future is not entirely predictable, so please do keep an eye on our website ([www.bovey-gardeners.org.uk](http://www.bovey-gardeners.org.uk)) and facebook page (Bovey Gardeners—BTHS) for any updates as the situation becomes clearer.

Most importantly please ensure that you follow any Covid 19 guidance we may need to put in place on the day to keep everyone safe.

Thank you. And enjoy the Show. (Gates open 1pm —tell your friends!)

## **Award of Banksian Medal**

The Bovey Tracey Garden Club will be awarding a Royal Horticultural society Banksian Medal to the entrant winning most points in the Horticultural Divisions (ie A, B and C).

The medal cannot be won by the same person more than once in three consecutive Show years so there is no danger of the same person winning it year after year (as there was no Show last year, 2020 is not counted as one of the three years).

The medal will be awarded at the Prize Giving at the end of the show and unlike our trophies will be kept by the recipient. Please note that the winner will be decided from all entrants and not just Club members.

## Information for Exhibitors

For queries related to the Schedule, please contact the Show Secretary, Liz Stockwell (01626 832 399)

1. Entry fees are 25p per entry, except that junior (i.e. 16 years and under) entries are free.

2. Persons intending to exhibit shall take or send their completed entry forms together with the correct entry fees (both placed in a sealed envelope, please) to:

Liz Stockwell, 4 Marlborough Terrace, Bovey Tracey, TQ13 9AU (please post your entry in the post box in the porch marked "show entries"), or

Marion Edwards, Church Steps, (by PPT church), Bovey Tracey

Entries must be received no later than 12 noon on Tuesday 10th August - sorry but late entries cannot be accepted.

Please help the Show Secretary by not leaving your entry to the last day, if at all possible, thank you.

Exhibits may be brought to the Marquee between 7:30 and 9:45am on the day of the Show. The Marquee must be vacated for judging by 10am.

Special arrangements have been made to Floral Arts exhibitors to access the Marquee from 4pm to 8pm on Friday 13th August. Overnight staging is at the exhibitors own risk.

Prize cards and exhibits should be removed from the Marquee as soon as possible after 5pm on Saturday 14th August.

### **Rules versus Hints**

Please be aware that you must comply with the Rules or risk a NAS (Not According to Schedule). We do not want to disqualify anyone so please ask a steward if you are uncertain.

Hints are intended to help you. In the event of two equally good entries, the one that has followed the relevant hint is likely to win. The judge has the final decision.

## Exhibitor Hints

### General

For expert hints try the Horticultural Show Handbook or The Great British Village Show (both published by RHS). Also, lots of information is available online. Have a look at our website: [www.bovey-gardeners.org.uk](http://www.bovey-gardeners.org.uk) and our Facebook page: Bovey Gardeners—BTHS

### Vegetables

Beans— broad, French or runner: fresh pods of uniform colour. Stage with pods on a plate, or directly on the bench, with a portion of stalk attached.

Beetroot— Of even size, for round varieties between 50 and 70 mm. For long varieties straight, even and well developed. Trim foliage to approximately 60mm.

Cabbage— Firm heads, uniform size, should be shown with approximately 75mm stalk.

Carrots—Select uniform roots of good colour. Leave approximately 60mm of stalk.

Leeks—Of uniform size and length, and solid. Tie leaves neatly.

Onions—Uniform, well-ripened bulbs of good colour. Tops should be tied or whipped with uncoloured raffia, and the roots neatly trimmed back. May be placed on rings or soft collars.

Pickling Onions—Should not exceed 30mm diameter, and necks should not be tied or whipped.

Potatoes—Medium size, matching for shape, shallow eyes, clear skin.

Shallots—As for onions but stage on dry sand or similar. For pickling should not exceed 30mm diameter.

## **Exhibitor Hints continued**

Tomatoes—Select for the right shape, size and colour for the cultivar. Aim for uniform firm set with small eyes and firm, fresh calyces. Stage on a plate with calyces uppermost

### **Fruit**

Apples and similar shaped fruits—should be of average size for variety and of good colour. Stage with the eye upwards, stalk downwards, one fruit in centre and the other around it.

Berries—on a plate, stalks and calyces intact.

Rhubarb—Leave a fan of leaves. Toe present.

### **Flowers**

At all times the quality of the bloom must be the first and chief consideration and this will override size. With cut flower exhibits, aim for neatness and uniformity and to ensure freshness cut in the evening before the show and leave them overnight in a cool place up to their necks in water. Note particularly the quantity required in the class. Exhibitors may name the cultivar exhibited if they wish, but this for general interest only and not a requirement.

### **Domestic**

Jam, curd and marmalade—Jars must be labelled and dated. There is more advice about lids for preserves on our website.

Savoury loaves and dips should be labelled clearly to say what flavour they are.
